C. No 3255 L. S. G Dept

Subject Grant - Hospet Ml cl - Operation theatre

(I) In G.O No 1881 L & M dated 26-9-21 the Govt promised to sanction out of resumed grants a grant upto a maximum limit of Rs 10,440 to the Hospet Ml cl for the construction of an operation theatre. Grants to the extent of Rs 7,620 equivalent of the expenditure incurred on the work upto 31-3-'23 have already been disbursed to the Ml cl. The C.M.C now applies for a further grant of Rs 195 being the equivalent of the expenditure incurred on the work after 31-3-1923.

No 4 of the G.O

vide (10) & (13) on p. 3 C F

2. The Govt have not committed themselves to sanction a grant for the work towards the expenditure incurred after 31-3-'23. In G.O No (I) 1881 L & M dt 26-9-'21 reallotments from resumed grants were promised to be sanctioned in 1921-22 and 1922-23 only. In para 2 of G.O No (K) 415 L & M dt 15-2-23, local bodies have been definitely informed that grants (out of resumed grants) cannot be sanctioned towards

the expenditure incurred on works after 31-3-~~24~~ 1923. The ~~provi~~ provisions made in the C.B.E for 1923-24 for reallotments out of resumed grants are intended to Cover the expenditure incurred on works upto 31-3-'23 only — vide para 2 of G.O No 976 L&M dated 25-4-1923. The grant now applied for by the C.M.C Hospet is not therefore admissible. There is no need to make an exception in the present case as grants to the extent of more than half the estimated cost of the work have been already disbursed to the M.C. A draft order refusing the grant is submitted for approval.

In para. 2 of G.O. 976 dtd 25.4.23, the Govt. have specifically laid down that 'reallotment of grants out of resumed grants, should be restricted to expenditure incurred up to the end of March 1923 only. The present application relates to the expenditure incurred after 31st March 1923 and cannot therefore be admitted.

The fact that the amount involved is small (Rs. 195) is no ground for making an exception to a general rule.
